: ON PETITION

:

This is in response to the petition under 37 CFR 1.137(b) filed March 10, 2006.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition" under 37 CFR 1.137(b)."

This application became abandoned for failure to respond in a timely manner to the restriction/election requirement mailed June 24, 2005. The notice set a shortened period for reply of one-month from its mailing date. Extensions of time were available pursuant to 37 CFR 1.136(a). No response was received within the allowed period, and the application became abandoned on July 25, 2005. A Notice of Abandonment was mailed on March 7, 2006.

Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a non-provisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee, or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c).

The instant petition does not satisfy the requirements of item (2) above.

The fee for a petition under 37 CFR 1.137(b) is \$1,500.00 for a large entity or \$750.00 for a small entity. The instant petition was accompanied by \$500.00. In order for a renewed petition under 37 CFR 1.137(b) to be considered grantable, petitioner must remit an additional \$250.00 for the petition fee.
